

Working Papers

Recommendations to Authors

1. Original texts submitted to the collection of CESNOVA Working Papers must be unpublished, and cannot be submitted in the same format for other publications.
2. Can be written in Portuguese (preferably), in Spanish, French, and English, and should not exceed 60,000 characters (including bibliography)
3. The texts should be accompanied by an abstract (750 characters) in English and Portuguese, five key words, and identifying elements of the article's author(s). (name, academic level, institutional affiliation, and e-mail)
4. The texts should be submitted in Times New Roman, size 12 font, with 1.5 line spacing, without headers or any other additional formatting.
5. Bibliographical references should follow the University of Chicago author-date format norms (http://www.chicagomanualofstyle.org/tools_citationguide.html).
6. The presentation of the original may be done at any time, and proposals should be sent by e-mail to cesnova@fesh.unl.pt
